

Project Name:	Employee Portal
	http://www.miamidade.gov/itgovernance/library/business_cases_2005/EmployeePortal-Business_Case-A1.pdf
Department Name:	ETSD
Project Amount:	\$211,000

EVALUATION CRITERIA	RATING (Use drop down boxes)	Comments/Instructions
A. BUSINESS IMPACT		
1. How closely are the project's objectives aligned with County's strategic plan?	2	5= Strong Alignment, 1=No Alignment
2. Is the project an enterprise solution that will be used by more than one agency?	YES	Yes or No
3. To what extent will the project improve internal workflow and productivity and enhance customer service? See tab below for examples on how to rate.	2	5=Major Impact, 1=Minimal Impact
4. How well have projected benefits been identified and quantified? See tab below for examples on how to rate.	2	5=Benefits clearly identified/quantified, 1=Benefits not identified
B. ARCHITECTURAL FIT		
5. To what extent will the project serve to improve the County's underlying technical infrastructure?	2	5=Major Infrastructure Improvement, 1=No Improvement
C. OTHER		
6. Is the project a mandate (i.e., required by legislation or regulation)?	NO	Yes or No
7. Is this project the agency's first or only priority?	YES	Yes or No
8. Is the proposed project the subsequent phase of a project that is currently in progress or has recently been completed?	NO	Yes or No
9. Does the project introduce a new technology that will or can be evaluated for potential use elsewhere in Miami-Dade County (a pilot or "frontier" project)? See tab below for examples on how to rate.	NO	Yes or No

Additional Comments (Optional):
This business case provides only a very broad and generic description of a capability that might possibly be used for collaboration and improving workflow among departments. There are no specific examples given no analysis to show when or how this would save money. The technology is already available in the county for sharing data and is already in use where required. This proposal could improve that capability but this proposal lacks the specifics of how and who would benefit
